

IN THE

AMICUS CURIE
IN FAVOR OF
O CENTRO ESPIRITA UNIAO DO VEGETAL
DOCKET #04-1084

APPENDIX A

AFFIDAVIT-11

**Rev. Clinton Wiles
827 NW 32nd Street

Affidavit

I, Clinton L. Wiles am a resident of Oklahoma. My mailing address is 827 NW 32nd St., OKC, OK 73118. My date of Birth is 12/21/47. Any other contact information is listed on the signature line below.

I affirm under penalty of perjury as defined in the laws of the United States and the State of Hawai'i that the following Affidavit is true and complete to the best of my ability.

I am making this statement for the purpose of notifying the Supreme Court of the United States of Plain Errors of fact and law contained in the decisions under review by this Court in Gonzalez vs. O Centro Espirita Uniao Do Vegetal, docket Number 04-1084 as set forth in the Amicus Curie Brief to which this Affidavit is attached.

I am making this statement for the purpose of supporting the O Centro Espirita Uniao Do Vegetal Church in the decisions of the lower courts that interpret the Religious Freedom Restoration Act of 1993 - 42 U.S.C. sec. 2000bb et al - to mean that a sincere act of religious exercise that is substantially burdened by a federal law must be justified at trial by government proofs of the facts of a threat to public health and safety of such magnitude as to support a compelling interest on the part of government to regulate the act of religious exercise. Further, I support the interpretation of RFRA that is applied to the O Centro Espirita Uniao Do Vegetal Church to mean that the government must make the fact proofs that the least restrictive means of regulation has been used to regulate the sincere act of religious exercise that is found to cause a compelling interest on the part of government to regulate it. I support the interpretation of RFRA to mean that RFRA applies to the drug laws, provides a means of exemption from the drug laws for sincere religious exercise, and provides exemptions from international treaties affirmed by the United States Senate and otherwise effective upon my actions as a citizen of the State of Hawai'i, member of the United States of America.

I now state for the record under penalty of perjury that:

What a person does to themselves is the most intimate and direct expression of their religion and relationship to the universe, irrespective of what may be formally or otherwise expressed; and as such is a matter between them, their god, and their pocket book.

Further I wish to inform this Court that the Government of the United States was not established to make us good people. Our government was established so that we the people could seek the relationship we crave with the universe as we perceive it while the government has the role of overseeing the civility with which we interact while we seek that which we desire or are driven to.

I respectfully request that the Supreme Court of the United States affirm the interpretation of RFRA that is made in the Amicus Curie Brief to which this Affidavit is attached.

I affirm under penalty of perjury that the aforemade statement is true and complete to the best of my ability as indicated by my signature below on the date indicated.

Signed Clinton L. Wiles
